

# Long Tones: Level 1

*The focus of long tones is to concentrate on playing smoothly and freely, making a rich beautiful tone.*

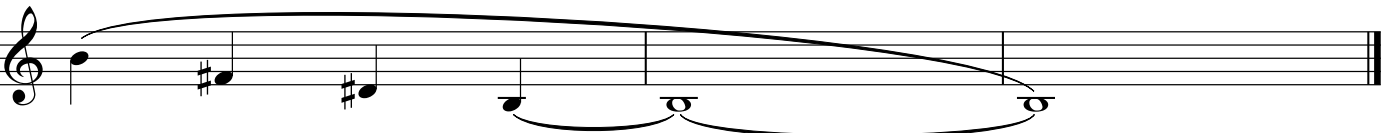

*We are aiming to play them gently, with a big sound and lots of air.*

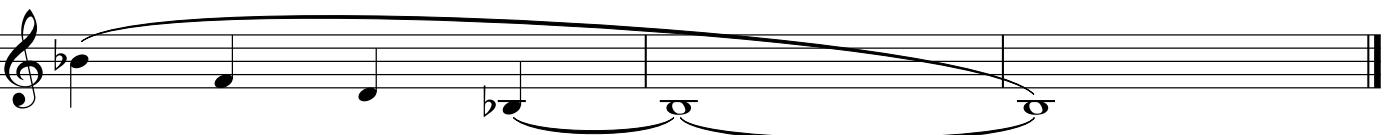

*Aim to play the long note for its full value, or as long as you can.*

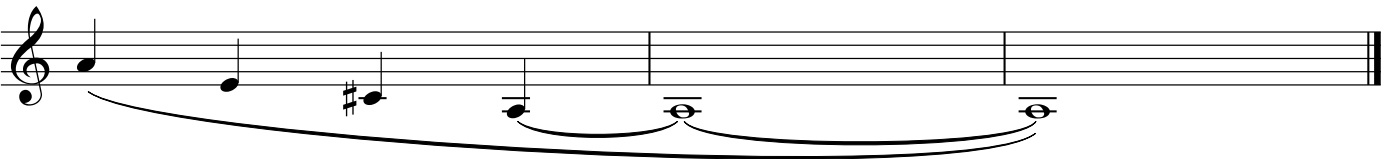

1. 

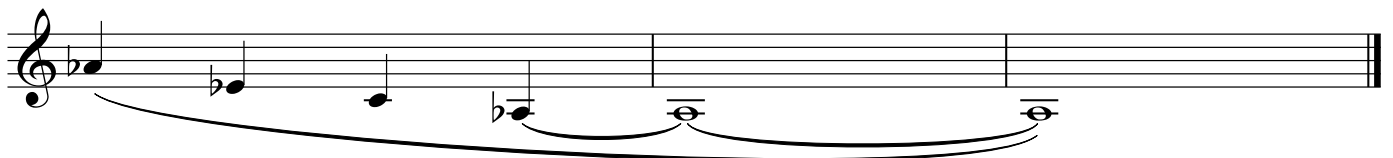

*Practise these exercises at a medium tempo, not too fast, listening to each note, aiming to create a consistent sound.*

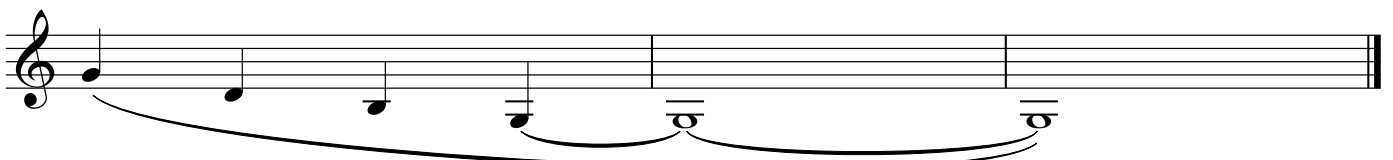

*Rest between each phrase for as long as you played. Remove trumpet from your lips.*
